

Policy on the Image Release Permission Form

- I. It is the policy of the Handweavers Guild of Boise Valley, Inc. that members' privacy and their intellectual and artistic material rights will be honored.
- II. The Guild will maintain a system for documenting members' permission preferences.
- III. The Guild will ask members to give written or electronic permission to the Guild for the purpose of sharing images of themselves or images of their artistic work.
 - A. The written or electronic permission is found on the Image Release Permission Form at the bottom of the Membership Form.
 - B. The Membership Form is found on the Guild's Website under Membership.
- IV. New Members are encouraged to give the same written or electronic permission by stating their preferences upon joining the Guild.
- V. All members are encouraged to notify the Membership Officer when permission preferences change by filling out a new Image Release Permission Form.
- VI. The Image Release Permission status of any member will only be made available, as needed and within an appropriate confidential modality, to Guild Officers or Chairpersons for use in publishing or promoting Guild activities.
